Pupil Feedback

- ❖ "I think that I made a better job of my homework as I did it neater and within a quicker time."
- ❖ "I thought that the homework was better than usual and you got to do stuff that you hadn't done before."
- ❖ "I thought it was better because with normal homework you all do the same."
- ❖ "It was worse because we had to do more and it was full on. I have only one spare night so it was hard."
- ❖ "There was no change because I did have a longer time but there were lots more tasks."
- ❖ "I thought it was much better because it was more inviting."
- ❖ "I think it was a bit better because it was a bit less stressful for me."
- ❖ "I think that it is a bit better because it's a change."
- ❖ "I think it was quite fun, just like before but even in Literacy and Science you have to draw. Drawing won't help you to get a job, will it?"
- ❖ "I think it is much better because you can do 2 things in one week and space them out. For example, you could do them on Monday and Thursday."
- ❖ "I thought it was worse because I don't have much time because I have football, my sister has dancing and I go shopping a lot."
- ❖ "It was much better because it kept me interested and happy with learning more and not all just writing but making posters and not a lot on the computer."
