

Community First.

Ours is a strong, diverse community dedicated to creativity and self-expression. Of course, we know that people will only feel comfortable sharing if they can be themselves. We provide our community with easy-to-use but powerful tools for support, safety and privacy. Here are a few tips to help you manage your Instagram account:

- 1 **Block a Person:** Click on  on the top right of any person's account to block them
- 2 **Report a Post:** Click on  in the bottom right corner of any photo or video
- 3 **Delete or Report Comments:** Click on  and then swipe left on a comment or caption to flag or delete it
- 4 **Make Your Posts Private:** Set your account to private to approve who can see your posts
